

Student Internship Activity Report (SIAR)

INTRODUCTION (PLS. READ AND UNDERSTAND)

During your internship, you are responsible for completing and submitting three (3) internship reports, usually emailed to your Career Training Coordinator (CTC) every 100 hours for those completing 300 hours or every 200 hours for those completing 600 hours requirement. These reports should help you learn about the overall operation of your internship agency /organization or Host Training Establishment (HTE). In addition, the reports are a method of documenting and communicating to your CTC with your experiences during internship. Note that CTC will not remind you of when these reports are due. Failure to submit reports will reflect negatively on your internship.

Each report consists of your assessment about our internship experience and information about the agency / HTE. While you can set up a schedule with your internship advisor that fits our particular internship, the following schedule is suggested:

	300 Hours OJT	600 Hours OJT
First Report	Week after 100 hours	Week after 200 hours
Second Report	Week after 200 hours	Week after 400 hours
Final Report	At the end of the final internship week
